9. Enter a desired password twice for validation. Password requirements are listed on the screen for reference.
10. Click 'Submit'.

The screenshot shows the Veritex Community Bank logo at the top. Below it, the text reads "Please set your new password:". There are two input fields: "New Password" and "Confirm New Password". Below the fields, there are five lines of password requirements: "Password must be at least 8 characters long.", "Password can be no more than 25 characters long.", "Password must contain a minimum of 1 numbers.", "Password must contain a minimum of 1 lower case characters.", and "Password must contain a minimum of 1 upper case characters.". At the bottom, there is an orange "Submit" button.

11. Select the appropriate registration option.

NOTE: Are you at a private computer that you will use regularly to access online banking? If so, we can register your browser for future access. If you are at a public computer, select 'Do Not Register Device' and this computer will not be registered.

NOTE: To register your computer, we will place a Secure Token in your browser. Your PC must be configured to accept 'cookies' from this site. The next time you log on, you will only need to enter your User ID and password. The number of allowable registrations may be limited for the security of your account.

The screenshot shows the Veritex Community Bank logo at the top. Below it, the text reads "Device Registration" and "Access Code Accepted.". There are two buttons: a grey "Do Not Register Device" button and an orange "Register Device" button.
