

CardSwap is the online solution that allows you to apply Veritex Community Bank check card or credit card information across your favorite online subscriptions and digital points of sale.

Now you can sync your Veritex Community Bank debit or credit card on your accounts like Hulu, Netflix, iTunes, Amazon, and more!

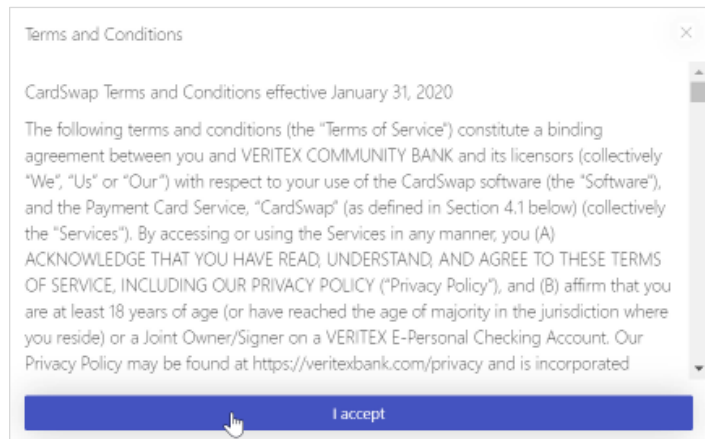

1. Select the 'Payments' menu then 'Card Swap'.

2. Click 'Get Started'.

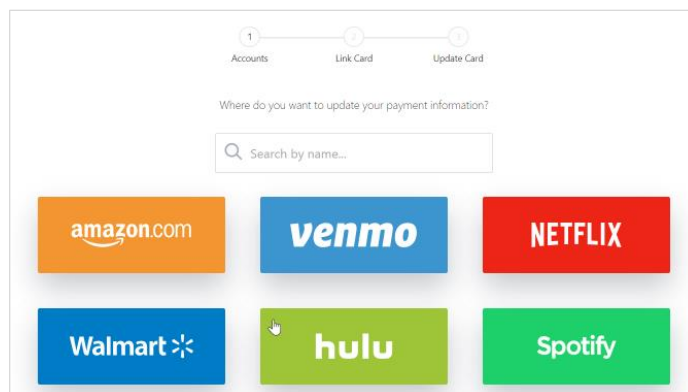

3. Click 'I accept' to accept the Card Swap Terms and Conditions.

- Click each of the brands that you pay from the listing on the screen.

Note: If you are unable to locate the brand you are searching for, send a secure message to the bank containing the details for future consideration.

- Click 'Next Step' when done.

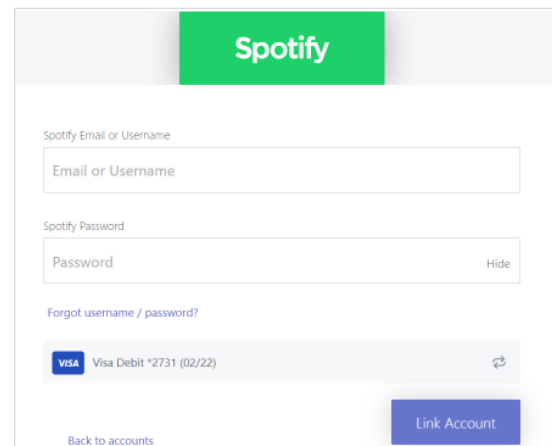

- Enter your Veritex Community Bank card information and click 'Verify Card' when done to begin the linking process.

Note: You will notice the card that was entered in the previous steps appears below each biller.

7. Enter the login credentials, then click 'Link Account' for each provider you would like to verify.

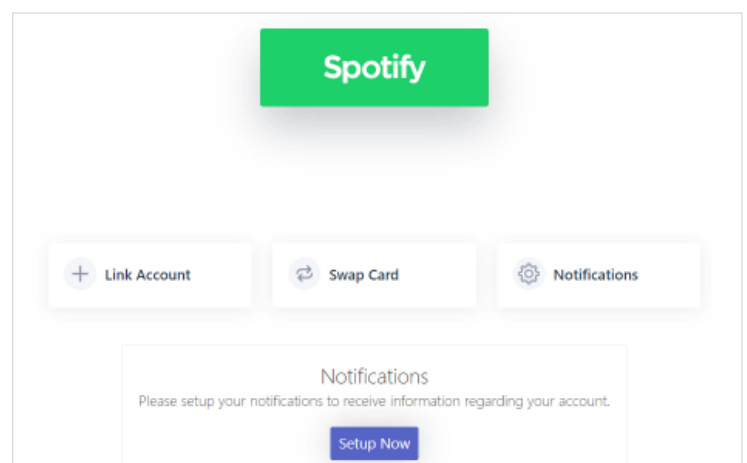

The image shows the Spotify login interface. At the top, there is a green bar with the Spotify logo. Below it, there are two input fields: 'Spotify Email or Username' with a placeholder 'Email or Username', and 'Spotify Password' with a placeholder 'Password' and a 'Hide' link. Below the password field is a link for 'Forgot username / password?'. At the bottom, there is a card selection area showing a 'VISA Visa Debit *2731 (02/22)' card with a refresh icon. A 'Link Account' button is located at the bottom right, and a 'Back to accounts' link is at the bottom left.

8. Once your account has been successfully linked, click 'Finish'.

9. To add a new provider, click 'Link Account'.
10. To swap a card, click 'Swap Card'.
